It's grilling season, and your grilling season is about to get a whole lot tastier! Our fresh baked buns are sure to create the best burgers you have ever tasted! We are now baking our Golden Harvest Wheat Buns for the weekend. We believe these are the best buns in America. Think outside the box when topping your burger on this bun...creamy cheeses like brie, gorgonzola, or flavored goat cheeses can take a burger from ordinary to extraordinary. Grilled chicken breast that has been marinated in a mixture of prepared pesto, olive oil and lemon juice is also a great burger alternative. Make a quick sauce by whisking a touch of the same pesto with mayonnaise then slather on both sides of the lightly grilled bun...YUM! Share your best burger ideas on our Facebook Page. If we love your idea, we may just shoot some free bread or buns your way!
